# STRIKE

- 1921. strike happened in Vinež
- There were 2000 miners striking
- They were saying „Kova je nasa.”
- In that time, there was Labin Republic
- 8 April 1921 italian soldiers attacked miners and Labin Republic disappear

- 20 years later a big tragedy happened
- 185 people lost life in mine
- That was the hardest day for miners, wives and kids
- „we will never forget our friends” they said
- Miners worked hard and waited for closing mine at the end of 20. century

# SRETNNO!

*Svakodnevni rudarski pozdrav  
kojim su rudari jedni druge ispraćali u podzemlje.*
